CLAIM JESUS!

**PRAYER CHANGES EVERYTHING!
I BELIEVE IN THE POWER OF PRAYER!**

The time is fulfilled," He said, "and the kingdom of God is near. Repent and believe in the gospel! Mark 1:15

My brothers and sisters in Christ, it is the beginning of a New Year, and as one songwriter said, another year over, a new one just begun, so what have you done?

As we begin the New Year, my hope is that all of us would recommit our lives to the service of the Lord. We enjoyed the celebrations of Advent, and we continue to celebrate the Christmas Season. What will we do for Jesus? Given the gift that he has given us, the gift that keeps on giving, how will we thank him?

Over the past year, many of us have had setbacks, we have lost loved ones, we have suffered disappointments and heartaches; but, we are still here. We must learn to let go of all the past hurts, setbacks and disappointments, and move forward, reaching towards the goal, striving for those things that will bring us everlasting joy.

My prayer for all of you, is that the peace of God will richly dwell within you, that you will allow the Spirit of God to direct and control you, as you go through this New Year. We know not what it will bring forth, but, no matter what we will go through, let us go through it with prayer, trusting God for guidance, and direction, and favorable outcomes. Know that the Lord is good, that the Lord is merciful, that he will never push us beyond what we are able to withstand, so trust him.

As we looked back at last year, I am sure that many of us would have liked to redo some of the things that we have done, the decisions that we made, the chances that we were afraid to take, or the missed opportunities. But we should not be too hard on ourselves, but instead learn from them and strive to do better with God's help. He is a God of second chances.

My brothers and sisters in Christ, all of us received adoption as children, and God sent the Spirit of his Son Jesus into our hearts, crying Abba! Father! We are now children of God and joint heirs with him, so whatever he has is ours. Claim what is rightfully yours for 2020. CLAIM JESUS!
